

# Get in the spirit! Help kids with cancer!

Make your holiday brighter with a visit to the DiMartino home on Sharrott's Road – Staten Island's most spectacular holiday display, and a big contender in last year's "**Great Christmas Light Fight**" on ABC Television!

Thanks to Joe DiMartino's indomitable spirit and the generosity of countless visitors to his Christmas display, over \$200,000 has been contributed to support outpatient children's cancer services at Staten Island University Hospital.

**Your cash donation is welcome, or a check made payable to: "SIUH Foundation, Inc."** Donations will also be accepted at the the SIUH Cancer Center, 256C Mason Avenue, North Site. Please see Raimonda Clark.
